work together

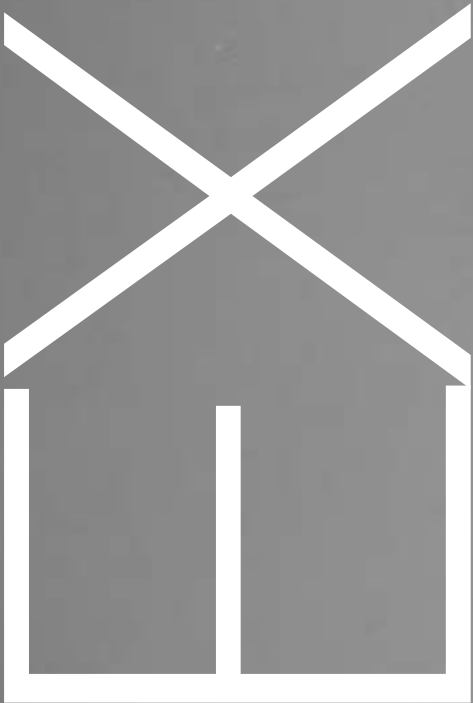

moreno[®]

Certainly when you first walk into a office, hotel, cafe or restaurant, the ambience, the design and attention to detail give a sense of what hospitality you could experience during your time there.

Seeing stylish difference but still cosy and altogether a personal experience is how important seating selection is. We appreciate the choices you make are a reflection on you and your business.

Moreno prides itself on comfort and innovation through its design whilst reflecting all that is great in your business. Make your first impression last with Moreno seating.
